FRAME

Several of our customers have told us that their customers think the dish cloths are too pretty to use! So we decided to make available a frame for them to put their dish cloth in to display the pictures. Frames come ready to hang with instructions for mounting the dish cloths. The dish cloth can easily be replaced should you wish to feature a different picture.

ENVELOPE

The envelopes are a natural beige color to complement the dish cloths and can hold multiple dish cloths. They have a pull strip and are self sealing.

ENVELOPE DISPLAY POUCH

This envelope display pouch is provided free of charge with any initial order of envelopes. It is designed to encourage people to think of who else they could send a dish cloth to as a gift in place of a card.

** Please note: The frame is only for dish cloths designed by Gudrun Walla, KEME Design, Nils Eriksson, and Lena Linderholm. The dish cloths by Heidi Lange, Marius Design and Birgitta Lindeblad are sized slightly different.*
