LOVE FROM NORWAY

NORWEGIAN JEWELLERY DESIGN

Norwegian designs with beautiful details

Norske motiver med vakre detaljer

Smykkene er inspirert av norsk natur og kultur. Kolleksjonen inneholder alt fra troll, nordlys, snøkrystaller, midnattssol til laks. Smykkene er belagt med ekte sølv, ekte gull eller bronse - dekorert med krystaller og håndmalt emalje.

Our jewelry is inspired by the nature and culture of Norway. The collection includes everything from Trolls, Northern Lights, Snow Crystals, and the Midnight Sun to Salmon. The jewelry is plated with real Silver, Real Gold or bronze. A number of pieces are decorated with crystals or handpainted enamel.
